Dear Friends,

It is a privilege to send greetings to everyone attending the 250th Anniversary of St. Paul's Chapel at Trinity Church Wall Street. Thank you to Reverend Dr. Bill Lupfer, the Trinity Vestry, Council and Congregation for recognizing this important day.

Since 1776, St. Paul's has been a source and symbol of inspiration, faith, and endurance to visitors and congregants from across our nation. New Yorkers know its significance as the place where President George Washington prayed after his inauguration. St. Paul's also helped to care for Ground Zero recovery workers in the month following the September 11 attacks. As you gather today, I hope you will reflect on the history and the commitment to social justice that remains present today at St. Paul's Chapel.

Please accept my best wishes for a wonderful event and many more years of continued success.

Sincerely,

Kirsten Gillibrand
