Trinity Retreat Center Guest Covenant

We face unprecedented times due to the pandemic of COVID-19. Because of the risks associated with this disease, Trinity Retreat Center will require each guest to comply with this Guest Covenant during retreats until further notice. Please read and acknowledge this covenant with your signature below:

If CDC, CT or Trinity Church Wall Street requirements change, I understand that this covenant may be revised for Trinity Retreat Center (TRC) to comply with those requirements.

The health and safety of TRC’s staff and guests is the top priority. Upon arrival, I understand that all in my party will undergo a temperature check. A temperature above 100 will require that I and any member of my traveling party leave TRC and not enter the property. All members of my party must be symptom-free from any illness for at least 14 days prior to arrival; signing this covenant so indicates my affirmation of that health status. I understand that any guest who becomes sick during their stay must immediately notify TRC personnel. A plan will be developed for each instance of sickness according to CDC, CT and Trinity Church Wall Street requirements.

I also understand that I and those in my party must wear a mask when in any indoor public areas, such as during meal pick up or shopping at the gift shop (if it is in operation during my stay). Outdoor activities will not require face masks unless other instructions are given, although TRC suggests their use when you cannot maintain a distance of six feet or more. Such activities are likely to require reservations to limit the number of guests in the area. Trails will be open and I understand that we must maintain social distance when hiking.

This is not a typical social stay, and I understand that we may not host anyone in our rooms who is staying in another room, regardless of our relationship with each other. No outside guests without TRC accommodations will be admitted on the property.

Housekeeping will be limited during your stay. Additional linens and towels will be available for pickup at a central location. All guests must wear face masks when retrieving additional linens.

Children are the responsibility of parents and may not interact with other children without social distancing. Children under 2 will not be required to wear face masks. Guidelines for hiking and other activities with social distancing may be added as the CT guidelines allow.

I understand that as a guest of Trinity Retreat Center, it is my/our responsibility to help keep our fellow guests and TRC staff safe. I/we will review the covenant with all in my party and follow it.

I realize that if I am asked to comply and I refuse, my stay may be cut short without refund.
